

FASTalk

Support your child's learning at home in a fun and easy way!

Dear Families,

I'm excited to invite you to partner with me to support your child's learning! Our school is participating in a text message program called **FASTalk** (Families and Schools Talk) from Family Engagement Lab, a nonprofit.

Each week, you will receive three text messages with easy, on-the-go tips and activities to **support your child's reading and writing skills** at home. These fun ideas directly support the knowledge and skills your child is learning this year.

Your feedback is important! You can use FASTalk to text me questions and share how the activities are going by replying in your preferred language.

All you need to participate is **a cell phone!** Your phone number and personal information will never be shared.

While there is no cost to sign up, data and message rates may apply. If you want to unsubscribe, you can text '**STOP**' at any time.

Your help at home makes a big difference!

Thank you!
